## People Shaping Their Cities: Creating joyful, just, and resilient futures

On Tuesday, November 14, join Hester Street as we celebrate 20 years of advancing racial and economic justice through community-based planning and design. In the spirit of our event theme – People Shaping their Cities: Creating joyful, just, and resilient futures – we will honor and rejoice in Hester Street’s partnerships with community-based organizations and uplift our collective work to ensure that neighborhoods are shaped by the people who live in them.

### Honorees:

**Leroy Street Studio**  
**Anne Frederick**  
**Betsy MacLean + Nisha Baliga**
